

Activities under DBT Star Scheme 2019-2020

- (a) Innovation HUB having eleven innovative experiments were setuped for execution of student's project under star scheme

Fig.1 Innovation hub setuped for execution of innovative projects at Department of Physics

- (b) National wokshop on Science through Experiments organized during oct,1-2,2019 in which 11 Experimental models demonstrated by experts and 600 students participated.

Fig.2.National workshop on Science through Experiments (1-2 Oct 2019), demonstrations by Prof. M.S. Marwah, from Punjab University Chandigarh, organized by Department of Physics.

Fig.3. Celebration of International Year of Periodic Table (IYPT) activity by Department of Chemistry

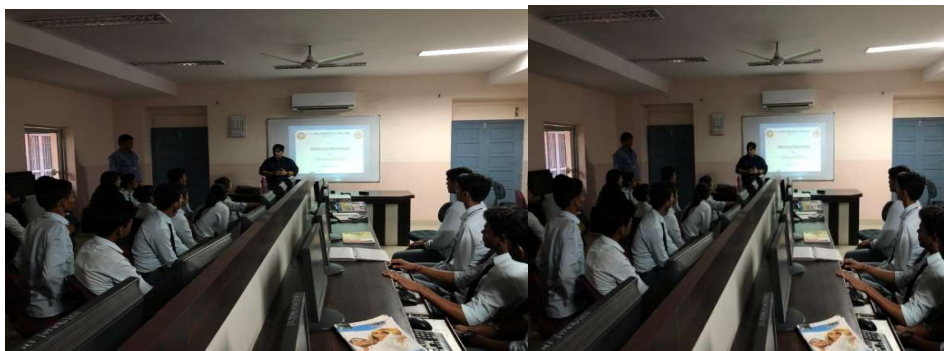

Fig.4 National workshop on Java Technology organized by Department of Computer Science

Fig. 5. National workshop on Data Science by Department of Computer Science

Fig. 6. National Conference on Challenges in Lifestyle and health Adolscence during Sept 28-29, 2019 by Department of Zoology & Environmental Science

(c) Students Visits/Trainings

Fig.7: Experimental training at Department of Atomic Energy (DAE), western Regional Centre Jaipur organized by Department of Chemistry

Fig. 8. Project training at Central Sheep & Wool Research Institute, Avikanagar Malpura Jaipur organized by Department of Biotechnology & Microbiology

Fig.9 Visit of students at CSIR Lucknow & Peace park Udaipur organized by Department of Botany

(d) Guest lectures

Fig.10 Guest Lecture on X-ray spectroscopy by Prof. Rajmal Jain on 16/11/2019 organized by Department of Physics

Fig.11 Guest lecture on climate change & Biotechnology by Prof. S.L. Kothari on Oct 10,2019 organized by Department of Biotechnology 7 Microbiology

Fig.12. Guest lecture on International Linux day by Mr. Ramesh Padmnabhan organized during Sept 30, 2019 by Department of Computer Science

(e) Outreach activities

Fig. 13. Students participated in State level Science project competition organized by IAPT

Fig. 14. Students taking Oath for Cleanliness & quiz competition organized by Department of Computer Science

Fig.15 National Science day was celebrated followed by various scientific activities on Feb 28,2020 organized by Department of Physics
